Education Agent Agreement

This Agreement is made between Australian Federation College (CRICOS Provider 03854G, RTO 45616) (the College) and Reg123456, business number not provided, of Sri Lanka, represented by Saseni Eickramasinghe (samkasaseni@gmail.com) (the Agent).

1. Appointment

The College appoints the Agent, on a non-exclusive basis, to recruit prospective international students for the College's courses. The Agent is an independent contractor and is not an employee, partner or legal representative of the College. The Agent must not make any promise or commitment on behalf of the College.

2. Term

This Agreement starts on 29 October 2026 and continues until 29 October 2027 unless it is ended earlier under clause 8. It may be renewed in writing by the College.

3. The Agent's responsibilities

The Agent must act honestly, ethically and professionally, and must comply with the Education Services for Overseas Students Act 2000, the National Code of Practice for Providers of Education and Training to Overseas Students, and all other laws that apply to the recruitment of students.

The Agent must give prospective students accurate and current information about the College and its courses, fees, entry requirements and refund policies, and must not guarantee admission, visa outcomes, employment or migration outcomes.

The Agent must submit complete and truthful applications, must not submit false or altered documents, and must not collect tuition fees on behalf of the College unless the College has agreed in writing.

4. The College's responsibilities

The College will provide the Agent with accurate course and fee information, process applications that the Agent submits through the portal, and tell the Agent the outcome of each application. The College decides whether to accept any student and may refuse an application at its discretion.

5. Commission

Commission is payable only on students who the Agent referred, who enrolled and who paid the fees required, and in the amounts set out in the commission schedule that the College provides to the Agent. The College may change the schedule for future students by giving the Agent written notice.

6. Privacy and confidentiality

Each party must handle personal information in line with the Privacy Act 1988 (Cth) and must keep confidential any non-public information that it receives from the other party. The Agent may use student information only to carry out this Agreement.

7. Use of the College's name

The Agent may use the College's name and logo only in material that the College has approved in writing, and must stop using them when this Agreement ends.

8. Ending this Agreement

Either party may end this Agreement by giving 30 days' written notice. The College may end it immediately if the Agent breaches this Agreement, acts dishonestly or damages the College's reputation. The Agent must stop acting for the College when this Agreement ends, and commission remains payable on students who had already enrolled and paid before that date.

9. General

This Agreement is the whole agreement between the parties on its subject. It is governed by the laws of Tasmania, Australia, and the parties submit to the courts of that State. The parties agree that this Agreement may be signed electronically and that an electronic signature has the same effect as a handwritten one.
